Independent Auditors' Report

Board of Directors
LUNGevity Foundation

We have audited the accompanying financial statements of LUNGevity Foundation (the Foundation), which comprise the statements of financial position as of June 30, 2017 and 2016, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of LUNGeivity Foundation as of June 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

LUNGevity FOUNDATION

NOTES TO FINANCIAL STATEMENTS

1. Organization and purpose

LUNGevity Foundation (the Foundation) is an Illinois nonprofit entity incorporated on March 13, 2001, to provide funding for the most promising research into the early detection and successful treatment of lung cancer. The Foundation also supports one of the largest national grassroots lung cancer networks, as well as one of the largest online support communities for those affected by lung cancer. These activities are primarily funded by contributions and grants, special events and other fundraisers.

2. Summary of significant accounting policies

The significant accounting policies of the Foundation are summarized below:

Basis of accounting:

The Foundation's financial statements are prepared on the accrual basis of accounting in accordance with generally accepted accounting principles.

Basis of presentation:

The Foundation is required to report information regarding its financial position and activities in three classes of net assets: unrestricted, temporarily restricted and permanently restricted.

Unrestricted net assets are available to finance the general operations of the Foundation. Temporarily restricted net assets represent those for which the use by the Foundation has been limited by donors to a specific time period or purpose, see Note 5. The Foundation had no permanently restricted net assets at June 30, 2017 and 2016.

Unrestricted and restricted revenue and support:

Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the same reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions. There were no permanently restricted contributions received for the years ended June 30, 2017 and 2016.

LUNgevity FOUNDATION

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

2. Summary of significant accounting policies (continued)

Cash and cash equivalents:

The Foundation considers cash, money market funds held in investment accounts and sweep funds in a repurchase agreement that matures overnight or the next business day to be cash and cash equivalents.

Accounts and grants receivable:

Accounts and grants receivable include amounts due in less than one year. Management believes that all accounts receivable as of June 30, 2017 and 2016 are fully collectible; therefore, no allowance for doubtful accounts was recorded. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to bad debt expense and a credit to accounts receivable.

Pledges receivable:

Pledges receivable included unconditional promises to give at June 30, 2017 and 2016. Pledges due in more than one year were discounted using a risk-adjusted rate of return to reflect the present value of the receivables.

<u>June 30,</u>	<u>2017</u>	<u>2016</u>
Receivable due in less than one year	\$ 399,867	\$ 419,000
Receivable due in one to five years	1,181,387	992,965
Total pledges receivable, gross	1,581,254	1,411,965
Less discount to net present value	(140,341)	(105,697)
Total pledges receivable	\$ 1,440,913	\$ 1,306,268

Pledges receivable due in more than one year were discounted at a 2.85% rate for those originating in 2017 and 2016. Amortization of the discount is included in contributions and grants revenue. Management believes that all pledges receivable as of June 30, 2017 and 2016 are fully collectible; therefore, no allowance for doubtful accounts was recorded.

LUNgevity FOUNDATION

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

2. Summary of significant accounting policies (continued)

Property and equipment and related depreciation and amortization:

Property and equipment are stated at cost or, if donated, at fair value at the date of donation. Depreciation and amortization of property and equipment is provided over the estimated life of the assets using the straight-line method. Additions over \$500 are capitalized while replacements, maintenance and repairs which do not improve or extend the lives of the respective assets are expensed.

Grants payable:

Unconditional grants payable are recorded when approved by the Board of Directors. Grants payable represent amounts due to medical investigators for pre-approved studies in the following year, see Note 8.

Deferred revenue:

Proceeds related to special events and other fundraisers received by June 30 that will not be earned until after June 30 were recognized as deferred revenue.

Advertising:

Advertising costs were expensed when incurred. Total advertising costs were \$128,089 and \$139,161 for the years ended June 30, 2017 and 2016, respectively.

Expense allocation:

The costs of providing various programs and other activities have been summarized on a functional basis on the statements of activities and functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Contributed services:

The Foundation receives donated services from unpaid volunteers who assist in its fundraising events and programs in the furtherance of its purposes. In addition, many individuals volunteer their time and perform a variety of tasks that assist the Foundation. With the exception of the services noted in the following paragraph, none of these amounts have been recognized in the statements of activities because the criteria for recognition have not been met.

Use of estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Accordingly, actual results could differ from those estimates.

3. Property and equipment

The components of property and equipment were as follows:
