**BOARD AND MANAGEMENT** LUNGevity's board of directors, honorary board members, and senior management bring to the Foundation decades of experience in corporate management and philanthropy. They bring expertise in law, finance, marketing and communications, organizational best practices, and strategic planning to their governance of the organization. In addition, because many have been personally touched by lung cancer, the directors and management team know the urgency associated with lung cancer research. They lend their proficiency, knowledge, and hearts to our endeavor to eradicate lung cancer through research.
